3. The Treasurer will provide access to one laptop computer containing the Treasurer's Auction System which Contractor must utilize to record the appraised value for each item, assign each of the items numbers to a lot number and to record other information such as the sale price of each lot. The Treasurer will consider a written request for the provision of additional laptops for this task.
4. For the auction, Contractor, at his/her expense, will publish a notice of the auction on Tuesday, July 30, 2019 in an English language newspaper of general circulation in Sangamon County, Illinois.
