I. OVERVIEW

The Office of the Illinois State Treasurer (“Treasurer”) is issuing this Request for Qualifications (“RFQ”) to professional firms to provide architectural design services (“Services”) for an office building located at 300 West Jefferson, Springfield, Illinois. Professional firms that submit their qualifications (“Respondents”) must submit their qualifications (“Submissions”) by 2:00 p.m. CT on August 21, 2018.

The Treasurer is seeking firms whose combination of experience and expertise will ensure professional, timely, and cost-effective services. The Treasurer intends to select the best suited, responsible, and responsive Respondent (“Contractor”) for this project. The successful Respondent shall enter into a contract with the Treasurer (“Agreement”) for an initial term of ten (10) months. Upon expiration of this term, the Treasurer may elect to extend the Agreement for a period agreed upon by the parties.

II. BACKGROUND

The Treasurer currently leases space in two different buildings in Springfield. Both leases expire on June 30, 2019. The Treasurer is negotiating the purchase of Jefferson Terrace and intends to relocate staff by June 30, 2019. This purchase and any renovation project to follow is subject to the approval of legislation authorizing the purchase.

The Jefferson Terrace building (“Jefferson Terrace”) is a 60,000 +/- sq. ft. three-level facility located at 300 W. Jefferson, Springfield, Illinois. The Jefferson Terrace site is currently vacant but will eventually house the majority of the Treasurer’s one-hundred and twenty-five (125) Springfield-based employees. Jefferson Terrace also consists of surrounding parking lots containing approximately one-hundred and sixty-four (164) parking spots.

Jefferson Terrace was originally designed in 1989 and has had minor updates since the initial construction. The Treasurer is seeking a professional architectural firm to design an updated floorplan for Jefferson Terrace, to ensure the building is ready for use, accommodate the operational needs of the Treasurer, improve staff efficiency, and comply with all safety and ADA requirements; this, together with any construction or related renovation work, is hereinafter referred to as the “Project.” Respondents must be an architect/engineering firm prequalified with the Illinois Capital Development Board (“CDB”). This will be a prevailing wage project covered by a project labor agreement pursuant to the Project Labor Agreements Act (30 ILCS 571/1 *et seq.*).

III. SERVICES

The Contractor will perform the following services related to Jefferson Terrace (collectively, the “Services”).

The Contractor will work closely with the Treasurer.

Because the Treasurer's current Springfield leases expire on June 30, 2019, a project schedule that will allow the Treasurer's staff to move in to Jefferson Terrace in June 2019 is a critical component of the Response.

Services to be performed by the Contractor include, but are not limited to the following:

5. Prepare detailed engineering and construction drawings that will serve as the basis for both bidding and construction by a general contractor and any subcontractors.
6. Submit final plans and drawings to local governmental entities, as necessary, in order to obtain all legally required approvals, licenses, and/or permits.
7. Assist the Treasurer with preparation and distribution of construction bid documents.
8. Assist the Treasurer with the selection of contractors, where appropriate, including making such selections through the use of existing statewide master contracts, where practicable.
