Illinois State Treasurer Michael Frerichs today hosted a celebration to commemorate Hispanic Heritage Month, honoring the work of community leaders from throughout the state.

The event was an opportunity to reflect on great achievements and present awards to eight Latino leaders: the president of Aurora University; the head soccer coach at South Suburban College; an entrepreneur who launched importing and candy businesses; the president and CEO of a community foundation; a business manager with a union local; the executive director of a family resource center; a state lawmaker; and a theater educator, director and researcher.

“Today, we shine a spotlight on some of our Hispanic and Latino neighbors to formally recognize their contributions,” Frerichs said at the event held at the state government building at 555 W. Monroe St in Chicago. “We’re expressing appreciation for their longtime dedication, and we’re celebrating their work in making our communities better places to live, work, and raise families.”

Hispanic Heritage Month is a national observance. In 1968, President Lyndon Johnson established a Hispanic Heritage Week. In 1988, President Ronald Reagan expanded the celebration to a month.

About the Illinois Treasurer

The Illinois State Treasurer's Office is a powerful economic engine that invests in people to drive prosperity, development and growth throughout the state. As State Treasurer, Michael Frerichs (FRAIR'iks) is the state's Chief Investment and Banking Officer and actively manages approximately \$60 billion. The investments help families pay for college and trade school; workers save for a dignified retirement; and local governments process bill payments more efficiently so they can pass along the savings to taxpayers. The office provides financial institutions with money to loan to farmers, small business owners, and qualified individuals at below-market rates because better jobs create stronger communities. The office operates the state's largest consumer-protection initiative, the missing money I-Cash program, which has returned a record-breaking \$2.3 billion since Frerichs was elected.
